P.O. Box 2327  
Arlington, VA 22202

Dear Sir:

This Response is submitted in reply to the Notice to Comply with Sequence Requirements issued by the U.S. Patent and Trademark Office on May 15, 2002, in connection with the above-identified application. A response to this Notice is due two months from the date of issuance, i.e., on or before July 15, 2002. Accordingly, this Response is timely filed.

The May 15, 2002 Notice (copy attached) indicated that the diskette filed in reply to the original Notice to Comply was unreadable and requested Applicant to submit a new diskette. Enclosed please find a replacement diskette containing Applicant's sequence listing in computer-readable form, as well as a paper copy of the corrected sequence listing. The undersigned hereby states that the copy of the computer readable form, submitted in accordance with 37 C.F.R. § 1.825(b), is the same as the paper copy.

In the unlikely event that the transmittal letter is separated from this document and/or the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 50-1189**, referencing billing reference **19442-7231**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
